# TESTIMONIALS

## BREAKBULK EUROPE ANTONOV AIRLINES

"Breakbulk is the leading exhibition that's not just for suppliers but customers too. We've been exhibiting since 2007, and we've captured so much business and so many new leads from participating, plus putting the brand around the world, Breakbulk is not an event we can ignore."

—Graham Witton,  
Managing Director, Antonov Airlines

## BREAKBULK EUROPE KUEHNE + NAGEL

"We've been here three years in a row and we are coming again. The chance to meet everyone in the project cargo community in one place cannot be missed."

—Joern Gruner,  
Manager Project Logistics,  
South-East Region, Kuehne + Nagel

## BREAKBULK EUROPE SAL HEAVY LIFT

"Breakbulk Europe is the main breakbulk event of the year, and as a leading carrier, it's a place we must be."

—Christian Hoffman,  
Head of Marketing & Corporate  
Communications, SAL Heavy Lift

## BREAKBULK EUROPE CHIPOLBROK

"Our customers are here. Our competitors are here. We have to be here. It's a fantastic opportunity to meet all the people we work with in one place. Nothing beats the down-to-earth business we do at our booth."

—Mikolaj Magielka,  
Sales Executive, Chipolbrok

## BREAKBULK EUROPE SCHULTE & BRUNS

"If you want to be positioned seriously amongst clients, Breakbulk Europe is the place to be. We've met privileged clients and key market players here. To meet everyone and to be able to bring them here? It's like a ticket to a fairy tale."

—Tatyana Shimskaya,  
Chartering, Schulte & Bruns

## BREAKBULK EUROPE KALEIDO

"The event has become massive. It's excellent for carriers, as well as all project cargo industry people. All the steps are covered at Breakbulk Europe. Suppliers, seekers, receivers – they're all here. For us, this is the event of the year."

—Beatriz Alvarado,  
Chartering Director, Wind & Project  
Sales Manager, Kaleido

## BREAKBULK EUROPE WALLENIUS WILHELMSSEN OCEAN

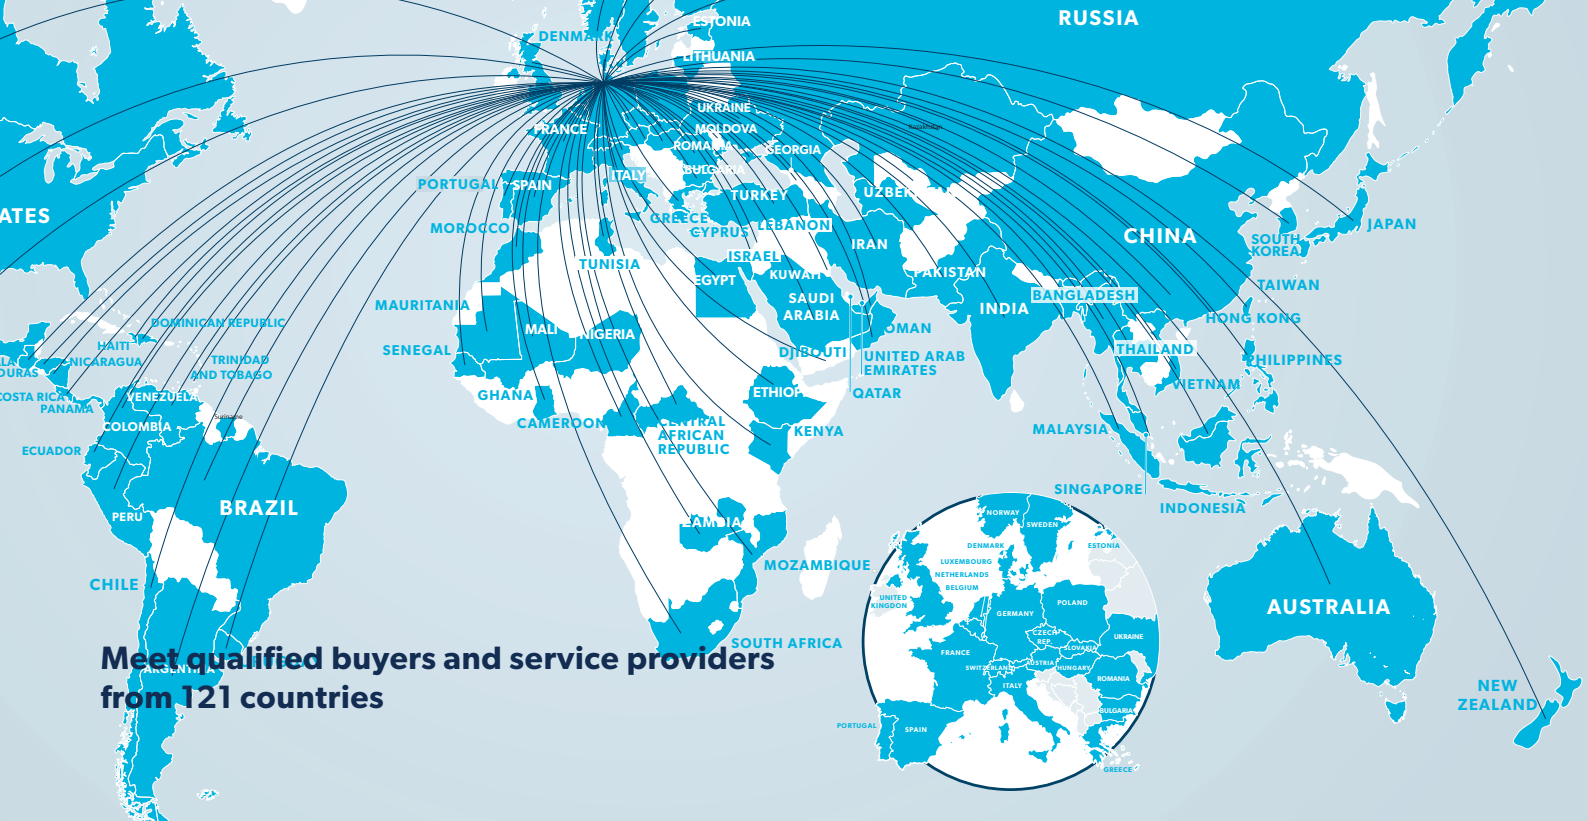

"Breakbulk is the biggest of all the Breakbulks, but it's where the work gets done. It's spectacular to have a booth and have people come by. This is where we get our biggest business traction."

—Paul Hicks,  
Sales Representative, Wallenius  
Wilhelmsen Ocean

# STAND OUT FROM THE CROWD SPONSORSHIPS & ADD-ONS

High profile sponsorships like the Masters Arena, Main Stage, Tech & Innovation Hub, Women in Breakbulk and Breakbulk Studios allow you to match your exhibition objectives with event features for maximum brand promotion.

Select an add-on like a conference session slot or host your own special session to position your company as a thought leader.

Tell your story in Breakbulk Studios to gain exposure during and long after the event.

First-time participants are eligible for Breakbulk on the Rise, an exhibitor experience at a lower price.

**Ask for the Sponsorship Guide.**

# 6 GREAT REASONS TO EXHIBIT

**1** In no other way can you meet so many project cargo and breakbulk specialists all under one roof over the span of three days. Your new business contacts are virtually unlimited at Breakbulk Europe.

**2** Over the past 15 years, Breakbulk Europe has established itself as the industry's meeting place. Don't settle for an imitation, be a part of the real Breakbulk and watch your reputation as an industry provider grow.

**3** If you want to build your business around the world, you'll find the international audience you're seeking at Breakbulk Europe where participants represent more than 120 countries.

**4** As an exhibitor, you'll receive free marketing tools to help attract more customers to your stand. And we offer a wide variety of sponsorships to complement your exhibiting experience. Just ask your sales rep for all the details.

**5** Our new Masters program attracts Europe's top EPCs, industrial manufacturers, oil & gas giants and other key project contract decision makers. Only exhibitors have the opportunity to participate in Breakbulk's speed networking activities, which puts you face-to-face with the people who are important to your company strategy.

**6** Your Breakbulk experience begins with networking and offers so much more. We have an entire content team devoted to building full programs featuring industry experts to provide you with the information you need for more effective business strategies. You'll hear the where, what and when of projects in the pipeline, along with what it takes to get a piece of the business.
